Bonjour Parents!

Members of the French Club along with Madame Billock will resume the **daily FREE** morning French class (7:30 to 7:50 am) on **Monday, October 2nd**. The class is open to **all the students who were in the program last year** and wish to continue, and we also welcome all new students **in 2<sup>nd</sup> and 3<sup>rd</sup> grade**. The class will be conducted by Madame Billock with the help of outstanding upper-class students: Allison Friesner, Ruby Belmonte and Grace Sheler.

In this class, the students will learn or continue learning the basics of French, such as greetings, numbers, food, animals, and basic phrases through games, vocabulary, songs, children's books, and other activities. They will also learn correct pronunciation and intonation which is much easier to achieve at a young age. This class will give them considerable advantage should they choose to continue with the language into their middle school and high school years. The presence of helpers will allow for small groups activities to take place by level.

We will meet in room (105) by the High School guidance office, and it is necessary that the students be on time, as we only have 20 minutes per meeting. There will not be homework, but it is highly recommended that your child attends daily to ensure the flow of the class and for progress to take place.

After the class is over, the students will proceed to their regular classes.

The students will also have the opportunity to be involved in the French club activities.

If you have any questions, please feel free to email Madame Billock at [bbillock@nmpps.net](mailto:bbillock@nmpps.net). To sign your child up, simply fill out the form below and return it to the elementary office or your child's teacher **no later than Friday, September 22nd**. We hope to see your child join the class, and look forward to teaching him/her French.

Sincerely,

North Muskegon French Club and Madame Billock
