Family-Friendly Value. Teacher-Trusted Quality.

Teachers know a good, reliable instrument can make all the difference for a learner. We ensure your student has the high quality instrument **selected and expected by their teacher.**

Return your instrument any time with no further obligations. All rental **credit transfers** when they need a larger size, and if they change instruments in their first year (or at teacher direction).

Dropped on the floor? Smashed by a sibling? From standard repairs to full instrument replacement, our expert technicians will keep your student playing -- **all at no added cost!**

From rosin to shoulder rests, we work closely with teachers to ensure your student has **everything required** to start, including the book for class and a music stand for all school beginners!

With our unique Step Up program, your student can advance to a **higher level instrument** as their skills increase and all your accumulated credit transfers to their new instrument.

We visit your school every week to pick up instruments for repair, drop off supplies, and exchange instruments-- **saving you a trip.** Just text us what your student needs and we'll take it from there!

Pay **monthly** or **prepay for the year** to receive 12 months of coverage for the price of 10. Final costs vary by instrument-- track progress in **your online account.** Pay off your remaining balance at any point for an **additional discount.**
